In this gripping and insightful book, author Mike Dow delves into the life and tragic death of James Taylor, a promising young American soldier who was killed in action during the Vietnam War. Through extensive research and interviews with Taylor's family, friends, and fellow soldiers, Dow paints a vivid portrait of a courageous and compassionate young man whose life was cut short too soon.

Taylor was born in 1948 in a small town in Pennsylvania. He was a gifted student and athlete, and he was well-liked by his peers. After graduating from high school, Taylor attended college for a year before deciding to enlist in the Army. He was assigned to the 1st Infantry Division and deployed to Vietnam in 1968.

Taylor quickly proved himself to be a brave and dedicated soldier. He was promoted to sergeant within a year, and he was awarded the Bronze Star for his actions in combat. However, Taylor's time in Vietnam was cut short when he was killed in action in 1969. He was just 21 years old.

Taylor's death was a devastating blow to his family and friends. They were proud of his service, but they were also heartbroken by his loss. Dow's

book tells the story of Taylor's life and death, and it explores the impact that his death had on his loved ones.
