

Unlock the Secrets of EOMAS 2024: A Comprehensive Guide to the 10th International Workshop

Immerse Yourself in the Intersection of Evolutionary Optimization and Machine Learning

Mark your calendars for the highly anticipated 10th International Workshop on Evolutionary Optimization and Machine Learning in Image Analysis and Signal Processing (EOMAS 2024), which will be held concurrently with the 23rd International Conference on Computer-Aided Systems Theory and Applications (CAISE 2024) in the vibrant city of Thessaloniki, Greece.

Enterprise and Organizational Modeling and Simulation: 10th International Workshop, EOMAS 2024, Held at CAiSE 2024, Thessaloniki, Greece, June 16-17, 2024, ... Business Information Processing Book 191)

EOMAS 2024 provides a unique platform for researchers, practitioners, and industry leaders to gather and exchange cutting-edge ideas at the

crossroads of evolutionary optimization and machine learning. This pioneering workshop will explore novel approaches, methodologies, and applications in the fields of image analysis and signal processing.

Essential Information for Your Participation

To ensure a seamless and enriching experience, here are the key details you need to know:

- **Date:** May 27-29, 2024
- **Location:** Thessaloniki, Greece
- **Website:** <https://www.eomas.org>
- **Contact:** eomas@eomas.org

Scope and Goals of EOMAS 2024

EOMAS 2024 aims to advance the frontiers of knowledge in the following areas:

- Evolutionary optimization algorithms
- Machine learning techniques
- Image analysis
- Signal processing
- Applications in various domains, such as healthcare, engineering, and finance

Why Attend EOMAS 2024?

By participating in EOMAS 2024, you will:

- Gain insights into the latest research and advancements in evolutionary optimization and machine learning
- Discover innovative applications and case studies
- Network with leading experts in the field
- Present your own research and receive feedback from the community
- Stay at the forefront of emerging trends and technologies

Keynote Speakers: Inspiring Minds

EOMAS 2024 is honored to feature a lineup of distinguished keynote speakers who will share their visionary perspectives:

- **Dr. David Goldberg**, University of Illinois at Urbana-Champaign, USA
- **Dr. Bernhard Sendhoff**, University of Aarhus, Denmark
- **Dr. Maria Petrou**, University of Surrey, UK

Call for Papers: Share Your Innovations

Researchers are invited to submit original and unpublished works that advance the state-of-the-art in evolutionary optimization and machine learning for image analysis and signal processing. Submissions will be peer-reviewed and selected for oral and poster presentations.

The deadline for paper submission is **February 15, 2024**.

Registration: Secure Your Spot

Early registration is strongly encouraged to secure your place at EOMAS 2024. Registration fees include:

- Access to all workshop sessions
- Conference proceedings
- Networking opportunities

Explore the Vibrant City of Thessaloniki

While attending EOMAS 2024, take the opportunity to explore the captivating city of Thessaloniki. Immerse yourself in its rich history, vibrant culture, and delicious cuisine.

: Seize the Opportunity

EOMAS 2024 is an unmissable opportunity for anyone passionate about evolutionary optimization and machine learning in image analysis and signal processing. Join us in Thessaloniki, Greece, for an inspiring and transformative experience.

Visit the official website at <https://www.eomas.org> for more information and to register today. Secure your place at the forefront of innovation and unlock the secrets of EOMAS 2024.
